Question: What does "Vinnie" have in common with some of the top winning & producing dogs in North America today?

Answer: He's a brother to those fantastic producing bitches, Quintessential & Quinella. Sired by Can. GV Jag of Fran-Jo ROM out of TR's Pandora v Kenlyn ROM, "Vinnie" is a strong representative of his outstanding producing pedigree. Vinnie provides an excellent opportunity for linebreeding, and for those "Dallas" daughters, a potential to create your own "Bailey"-like dynasty!
