

CH MELANA'S ORION TC

OFA Prelim Good H&E

Orion finished easily at 20 months with four Majors in both specialty and all-breed rings, multiple BPISS wins, a National 2nd 9-12 Puppy Dog, 1st GL Senior Futurity Dog and GL Best In Amateur Futurity Dog – proving that a

Great dog can (and does) win in both rings.

Thanks to Judges Amy Safdir, Houston Clark, Carolyn Herbel, and Robert Moore for the Majors, and to Bob Slay for the BOB over a special for the finishing points. Thank you also to Jamie Clute, Rickey White and Michael Sherman for handling this handful. Watch for Orion at the National with Rickey White.

7 week old puppy from Orion's first litter.
