

# Panda

Following her maternal duties, Panda hit the show ring handled by Jamie Clute, finishing her Championship within 2 months. She was shown 4 weekends, picking up a BOB over multiple specials along the way.

All four of her progeny shown “got wood” and she’s close to completing her ROM requirements with her oldest progeny not yet 2 years of age.

Congratulations to their sire BIM CH Greenwood’s Achilles OFA for his achievement as 2007 #6 Top Producing Futurity/Maturity Sire!

On September 17, Panda whelped 8 gorgeous puppies sired by CH Greenwood’s Hector OFA H/E (Achilles littermate). Serious inquiries welcome.
